Catholic Life & Mission 'Celebrating our Catholic Life & Story'

Living out the gift of St Mary of the Cross MacKillop, our College and Parish create a vibrant Catholic faith community, radiating Christ as Our Light. It is through prayer, liturgy and service that all in our community are called to discipleship.

Goals for 2015
In our commitment to discipleship, the College community will explore further engagement in mission activities by...

- Introducing a Parish/College MOU document.
- Deepening prayer opportunities for primary students, staff and families.
- Monitoring student attendance at major Masses and retreats, with a 99% attendance target.
- Introducing a Sunday evening Parish Mass connection opportunity once a term.

Teaching & Learning 'Strengthening the MacKillop Learning Community'

Providing a stimulating learning environment, our College enables all students, with the collaboration of teachers and parents, to achieve their personal best. Quality teaching and learning are a key focus of our College community.

Goals for 2015
To enhance student engagement and improvement in learning by...

- Lift literacy and numeracy target levels for Primary and Secondary.
- Embed numeracy understanding for Primary students with the EMU Project
- HSC bands across all courses, with a 95% target of Band 3 and above.
- A Middle-School trial project – ‘Window of Excellence’.
- New iPads for students and staff to enhance learning.
- Secondary to expand exploration of the curriculum framework with timetable models.

Pastoral & Wellbeing 'Enhancing Positive Partnerships & Wellbeing'

Strengthening partnerships across students, staff, family, parish and the wider community, our College community continues to shape each person’s development. Our pastoral support develops resilient and respectful members of society.

Goals for 2015
To promote mental health and wellbeing programs across the College by...

- Construct a wellbeing matrix of programs across K-12.
- Embed social emotional learning practices across Primary.
- Track Secondary students leave applications.
- House Team tallies for attendance and participation for all College events.
- Establish and engage with a Parent Network Team.
- Introduction of staff wellbeing days Term 1-4.
