Dear Parents,

Computers and their associated technology are very much a part of today's education. Like all resources, they are extremely beneficial when used in an appropriate manner. To help ensure that this occurs we ask that you read the Cybersafety Resources leaflet as well as the Internet and Network Services User Agreement and then read and/or discuss these with your child. Another highly relevant site that you may like to view is www.cybersmart.gov.au with both information for parents and children. We have also discussed the agreement, at school, with each class along with undertaking Cybersafety lessons with all children. When you feel your child has understood the agreement please ask them to sign and date it. Once they have done this we ask that you also sign and date the agreement indicating that you are aware of the College’s expectations regarding computer use by students. On completing the form please return it to your child’s teacher as soon as possible. It is an expectation of the Catholic Schools Office that all children and families have signed this agreement in order for the children to access the computers at school.

If you have any questions about this agreement please speak to your child’s teacher.

Mrs Ann Jackson

Assistant Head of Primary
MacKillop Catholic College
