MISSION  ‘Be a light to the world’

GOAL
To be immersed in a Catholic school culture that embraces God’s love and mercy.

PLAN
• To realign the structure of the Mission team for its role.
• To establish a Mission Outreach Program for social justice and service with clearly defined parameters.
• Identify, invite and support students to engage in the sacramental life through the RCIC program.
• To foster greater connection and participation of students, staff and families within their Parish.
• Launch the new visual identity embodying the Josephite charism.

LEARNING CULTURE  ‘Value learning’

GOAL
To engage with models of learning to improve student outcomes.

PLAN
• Appoint additional leaders of learning in both Primary and Secondary to coordinate learning initiatives.
• Offer combined KLA PL sessions.
• Introduce and expand on the inquiry learning model K-12.
• Continue the next phase in the ‘Window of Excellence’.
• Introduce cross-campus specialist teaching opportunities.
• Continue the liaising and support relationship between Primary and Secondary Literacy and Numeracy Coaches.
• Further develop iPads as a resource for learning.

WELLBEING  ‘Honour each other’

GOAL
To enhance the wellbeing of our dynamic, connected College community.

PLAN
• Engage further speakers/presenters for parent workshops based on identified needs – especially in the area of mental health to support student wellbeing.
• Engage the community with the tenth year celebration of our sister school visit in 2016.
• Appoint a Family Liaison Officer to work with our community in support of families.
• Introduce a before and after school care facility to support Primary families.
• Strengthen the parent network concept initiated in 2015.
• Review and monitor the College calendar to overcome event crowding.
• Develop the new Secondary PD 6 program to support student wellbeing.
• Develop a process for debriefing leading staff for major events.
• Continue and add to staff wellbeing program.
• Build a fundraising program to support College-based projects.
