## **INSPIRING YOUR CHILD TO LOVE LEARNING AND BE THE BEST THEY CAN BE**

At MacKillop Catholic College our inclusive community is what makes us different. It is an essential part of our school where teachers, families and students care for and support each other from Kinder through to Year 12. The wellbeing of all students in our care is pivotal to everything we do and plays a vital part in their learning success. We offer a dynamic learning environment featuring modern facilities and extensive greenspace enabling strong sport and cultural programs. MacKillop College also caters for the academically gifted with accredited gifted and high potential teaching staff.
