

**Choosing
the right
secondary
school for
your child
can be tough**
- let us help you!

**We'll share with your child a few steps to
help identify the best fit for them**

Not all school systems are the same

It is important to choose the best fit for your child. They are invited to our Year 7 2022 Taster Day where students can experience what life at a Catholic school is like.

Students will be guided around the campus, attend lessons and meet fellow peers and teachers along the way. They will be able to see what a Catholic school pathway can offer them and get up close and personal in a way unlike any other.

The **top 3** things to think about when considering MacKillop Catholic College as the best fit for your child.

- 1** We provide a happy, safe and engaging learning environment in the spirit of Mary MacKillop
- 2** We have an amazing wellbeing program where all feel they belong through our House System
- 3** We have a proven track record with leading HSC results

Come, engage, belong

Meeting your child's needs wherever they are at, we provide guidance throughout their schooling and prepare them for life beyond. We offer a wide variety of opportunities for students in sport, literacy, performing and creative arts, leadership, community outreach, and more. Let us show you what we can offer.

MacKillop Catholic College Taster Day

Friday 23rd July 2021
