

Dear Friends,

We just signed a petition we really care about: Launch of 150 days of action for people seeking refuge in our land.

**As part of the campaign and in the name of St. Joseph the Refugee, we robustly exhort the Federal Government:**

1. To provide **income support** and a **financial safety net** for all people seeking asylum in Australia
2. To **end temporary protection visas** and create a clear pathway to **permanent residency**
3. To ensure access to **family reunion** for refugees and people seeking asylum in Australia

We know we won't win change unless more people get behind this campaign by adding their name too. The more people who sign this, the more momentum we can build to get the attention of decision makers and pressure them to respond.

Can you help us by adding your name? **Just click on the link below.**
