College Principal's Message

"Let it Go" – Elsa, Frozen

Frozen continues to captivate young and old across the world with themes that resonate with audiences such as courage, enduring love and vulnerability- all of which speak to our humanity and sense of belonging and connection to others. The hit song "Let it Go" delivered by Elsa, inspires each of us to let go of the things that hold us back from enabling our true selves to shine.

I take opportunity to thank the MacKillop College staff and cast and crew in addition to the many people behind the scenes along with our families who have been involved in the preparation and lead up to the 2024 College Musical. I especially acknowledge the efforts of Ms Sharon Baird, Director for her creative vision and execution of this production. I am so very proud of the cast and crew who have dedicated themselves to delivering this quality performance and encourage each of us, like these performers, to let our light shine brightly.

Thank you for attending our 2024 College Musical and I trust that you and your family will enjoy the performance.

Tanya Appleby
College Principal

Welcome

When their kingdom becomes trapped in perpetual winter, fearless Anna joins forces with mountaineer Kristoff and his reindeer sidekick to find Anna's sister, Snow Queen Elsa, and break her icy spell. Although their epic journey leads them to encounters with mystical trolls, a comedic snowman, harsh conditions, and magic at every turn, Anna and Kristoff bravely push onward in a race to save their kingdom from winter's cold grip.

A story of true love and acceptance between sisters, Frozen JR. expands upon the emotional relationship and journey between Princesses Anna and Elsa. When faced with danger, the two discover their hidden potential and the powerful bond of sisterhood. With a cast of beloved characters and loaded with magic, adventure, and plenty of humour, Frozen JR. is sure to thaw even the coldest heart!
