

ABOUT CATERING FOR SCHOOLS PTY LTD We currently lease 11 school canteens. 10 which are on the Central Coast. All our menus are very similar. Our homemade items are made fresh in the canteen. We are a Healthy School Canteen which means our menu is checked by NSW School Canteen Menu Check Service. To pass this check we must be over 75% what is considered Everyday Foods and the rest occasional foods.

We try to keep prices to a minimum, our homemade foods are café quality at a lower price, even though our overheads are the same as any café.

ONLINE ORDERS Flexischools is the online ordering system. It is for all K-12 and staff.

Flexischools has a FAQ at www.flexischools.com.au/parents but here is some info on questions I get asked.

PAYMENT You can pay for your Flexischools order with Credit Card or PayPal when you order. Or you can add say \$20 to the account from your debit account and use that. If transferring money to your account it does take a few days though, therefore if there is no money currently in your account when you order, the order will not go through. You can also set the account to be topped up when it reaches a minimum amount set by you.

ORDERING When placing your order please select the break you wish your order to be ready. There are 2 breaks for Primary and 2 breaks for Secondary. You can select whether to get emails confirming your orders or when your account is low. Cut off times for orders is 9am but I advise you order the night before in case of internet failures.

Secondary students and staff may also order over the counter before school and can use cash or Eftpos. Secondary students and staff may also place breakfast orders via Flexischools before 7.30am.

CANCELLING AN ORDER If your order has already been printed, contact the canteen to cancel. This **MUST** be done at least 30 mins before the break the order is required, to receive a refund. Orders are printed off from 6.30am.

ORDER COLLECTION Primary will have their lunches and recesses collected from the canteen by a monitor and delivered back to the classroom. Frozen items and hot liquids will **NOT** be packed in the baskets. A label with the student's name, class and order will be placed in the basket. K-6 students must come to the canteen with the label to collect their frozen purchase personally after they eat their food. Hot (Warm) drinks and noodles may be collected straight away.

Secondary students can collect their recess or lunch orders personally from the canteen from the primary side of the canteen. Collecting orders for friends is not permitted.

ALLERGY ALERT When placing your order, you can select if your child has a food allergy, so we can take all care when preparing the order.

"MACKILLOP CATHOLIC COLLEGE CANTEEN" FACEBOOK PAGE Please like the canteen's Facebook page. It will keep you up to date with what is happening in the canteen e.g., specials, meal deals and new items. It also has the menu.

SPECIAL PROMOTIONS We sometimes have special days to excite about different occasions or foods eg State of Origin, Easter, Christmas, Harmony Day, Mexican Fiesta, Fruit Festival to name a few. Most of these days require preordering and you will be notified via Flexischools parent app.

Cheers Marilyn and Staff
